Dear Mr.Veera,

Greetings to you from Indian Council for Child Welfare- Tamil Nadu

We are happy to forward the profiles of 114 children. A list is also enclosed along. We wish to inform you that some children have left the school or migrated to another place. We have replaced other deserving children in their place as replacement. This is indicated in the list too.

Regarding reporting pattern, we are happy to state that you will be receiving the progress report of each child during the month of August every year and a greeting card made by the children to greet their sponsor in the month of December (2016) and a overall report of the project will be sent in the month of March (2017).

Since this is the first year of starting and since the child profiles are being sent only now, we will start sending the individual report of each child from next year onwards.

If you need any clarifications kindly get back to us.

Thanking you,

Yours sincerely,

Malathy Siva
